Mechanical Key

## Mechanical Features

### Slide Panel

The screen and keypad are hidden behind a slide panel. Your lock looks fantastic and the components get a better protection.

### Weather Resistant

Resist the effects of weather as rain ( $\leq 90\%RH$ ), cold and heat ( $-25^{\circ}C$  to  $+55^{\circ}C$ ).

### 3 Points Mortice

With three locking points, the lock mortise can fit in a reinforced door and provide extra security. (Optional)

## Safe & Convenient

### Dot-Matrix Screen

A large dot-matrix screen allow you to easily and clearly manage the lock functions.

### Standalone Product

Batteries powered, the lock doesn't need any external power source. User management is performed within the lock too, like a simple mobile phone.

### Weather Resistant

Resist the effects of weather as rain ( $\leq 90\%RH$ ), cold and heat ( $-25^{\circ}C$  to  $+55^{\circ}C$ ).
