Superior Features

Classic Finish
Traditional ornaments give the lock a rich classic. Making your property first impression an unforgetable one. 3 finishes are available, Gold, Ruby & Bronze.

Dot-Matrix Screen
A large dot-matrix screen allow you to easily and clearly manage the lock functions.

Automatic Lock
Closing the doorwill automatically trigger the 3 lock bolts. So the door is always locked, you will never have to worry about it anymore.

Weather Resistant
Resist the effects of weather as rain (≤90%RH), cold and heat (-25°C to +55°C).

Standalone Product
Batteries powered, the lock doesn't need any external power source. User management is performed within the lock too, like a simple mobile phone.
