Superior Features

Classic Finish

The lock is made of Brass Copper Alloy with beautiful ornaments giving the lock a rich look. 3 finishes are available, Gold, Ruby & Bronze.

Dot-Matrix Screen

A large dot-matrix screen allow you to easily and clearly manage the lock functions.

Automatic Lock

Closing the door will automatically trigger the 3 lock bolts. So the door is always locked, you will never have to worry about it anymore.

Weather Resistant

Resist the effects of weather as rain ($\leq 90\%RH$), cold and heat ($-25^{\circ}C$ to $+55^{\circ}C$).

Standalone Product

Batteries powered, the lock doesn't need any external power source. User management is performed within the lock too, like a simple mobile phone.
